

About the COP

The **Communication on Progress (COP)** is an annual public disclosure to stakeholders on progress made toward implementing the **ten principles of the UN Global Compact**, and supporting broader **UN goals and issues**. The COP serves to enhance transparency and accountability, drive continuous performance improvement, and provide a repository of corporate practices to promote dialogue and learning.

Note: COP data is self-reported

Business Participants & COPs Submitted since 2005

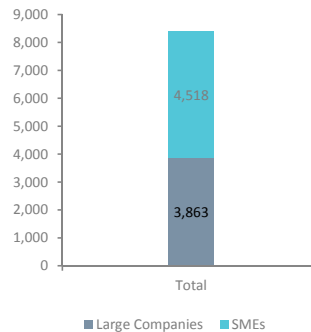

2015 at a Glance

8,381
Participants

5,988
COPs Submitted

1,218
Expulsions* of which 89% were SMEs

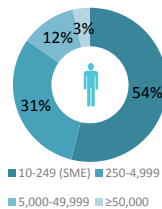

Participant Breakdown

*Participants who do not communicate progress for two years in a row can be expelled from the initiative, and the Global Compact publishes their name.
